32. In dealing with the problems facing the country, do you think Barack Obama will or will not make a sincere effort to work with the Republicans in Congress to find solutions that are acceptable to both parties?

Yesarti

No opinion

35. Next, we have a question about the best approach for political leaders to follow in Washington. Where would you rate yourself on a scale of 1 to 5, where 1 means it is more important for political leaders to compromise in order to get things done, and 5 means it is more important for political leaders to stick to their beliefs even if little gets done? You may use any number from 1 to 5.
