Gallup Poll Daily tracking is interviewing no fewer than 1,000 national adults per day by telephone in 2011. The following summarizes the results of topical questions that have been added to Gallup Poll Daily tracking as Gallup polls or *USA Today*/Gallup polls.

Dates of interviewing, sample size and sampling error are summarized for each set of questions. In addition to sampling error, question wording and practical difficulties in conducting surveys can introduce error or bias into the findings of public opinion polls.

Interviews are conducted with respondents on landline telephones and cellular phones.

7. *(Asked of Republicans and Republican-leaning independents)* Based on what you have heard or read about it, do you favor or oppose the proposal by Republican Congressman Paul Ryan to change the Medicare system for people who are currently younger than 55, or don't you know enough to say?
