---

-Polling since 1935 around the world

using nationally representative surveys

In 2011, Gallup surveyed in 148 countries, of which 43 were in Africa

In 2012, Gallup will survey in 130 countries, 41 of which are in Africa

-Gallup is registered in over 110 countries around world, including several countries in Africa

-Gallup is not affiliated with Gallup Africa

Gallup Africa is trading on our famous brand and has absolutely no right to use our famous trademark

Gallup Africa is attempting to use the Gallup name to legitimize their work and mislead the good people of Africa

Gallup is in contact with Gallup Africa's attorneys and has demanded they stop their fraudulent use of our name; should they fail to comply, Gallup will take all legal recourse to protect our name
