Thinking about something else,

12. Do you think the United States is number one in the world militarily, or that it is only one of several leading military powers?

- 13A. *(Asked of a half sample)* There is much discussion as to the amount of money the government in Washington should spend for national defense and military purposes. How do you feel about this? Do you think the U.S. should spend – [more, about the same as now, (or) less] — for national defense and military purposes?
