12. As you know, our federal government is made up of three branches: an Executive branch, headed by the President; a Judicial branch, headed by the U.S. Supreme Court; and a Legislative branch, made up of the U.S. Senate and House of Representatives. First, let me ask you how much trust and confidence you have at this time in the Executive branch headed by the President, the Judicial branch headed by the US Supreme Court, and the Legislative branch, consisting of the US Senate and House of Representatives—a great deal, a fair amount, not very much, or none at all?

## A. The Executive branch headed by the President
