

Turning to something else,

14. I'm going to read you a list of environmental problems. As I read each one, please tell me if you personally worry about this problem a great deal, a fair amount, only a little, or not at all. First, how much do you personally worry about

21.

century are due more to [ROTATED: the effects of pollution from human activities (or) natural changes in the environment that are not due to human activities]?
